

“SAY CHEESE”

A few years ago I attended a Missions Conference in Lithuania. While visiting a country one must try the food. A missionary friend found some really good cheese. I think he said it was the best he ever tasted, so, he ate a lot of it. Maybe too much. It plugged up his entire system for a few days.

In August I sent a “cheesy” report. It was a good report with lots of pictures. A 3.2 megabyte report. As I talked with a friend he laughed and apologized for not reading the report. He couldn’t even download it. Others questioned my sanity, something I’ve been doing for years.

I hope to have remedied the problem of sending reports with pictures by using Adobe Acrobat. My August Report was sent as an attached file in PDF form. You already have it. All you have to do is double click on the icon in the attached file box and you will be able to read it. It’s an experiment so let me know how it works.

NO SEPTEMBER REPORT

I wanted to write one, but honestly I couldn’t figure out what I was doing. We were hoping to start a third work, and trying to make all the necessary adjustments in order to do so. However, it seemed like I was in a speeding car that was spinning out of control.

After the spinning stopped and the dust settled I realized that a third work at this time is not feasible. We still have two churches and they are doing well.

We really need your prayers to help us stayed focused on planting indigenous churches.

SPECIAL THANK YOU

This summer the youth of Zion Hill MBC in Henderson, Texas, bought T shirts. A lot of them and gave them to the members of both of our churches here in St Petersburg. The shirts say “Jesus loves you” in Russian and then uses Jn 3:16 as a scripture reference. Thank You Zion Hill Youth for this special gift.

BAPTISM

Despite the cold lake water we baptized one and were witness to another.

Pastor Sasha – Margorita, Tanya - Pastor Sergey
